**Dr. Ashok Karania**

### **Dr. Ashok Karania Profile**

Vice President - Global Alliances & Strategic Accounts @ Infostretch

Dr. Ashok Karania is an entrepreneurial leader with more than 15+ years of senior management experience in strategy, sales, alliances and client relations.

He is a growth-oriented professional with a proven track record in developing, managing and scaling alliances to augment Infostretch's innovative offerings. He has delivered success stories in Telecom, Retail, FinTech & Hi-Tech Industries using a consultative solutions-driven approach to actualise new ideas in Digital Engineering Services, DevOps, Quality Engineering, Enterprise Mobility, Mobile Testing and Certification.

Ashok passionately spearheads Infostretch's corporate social responsibility program Pahel and has created a distinct member-driven 'giving back' platform.

He is a TEDx speaker and frequently speaks at various conferences and events on business, technology and eclectic topics. He is an active member of various industry think-tanks and works closely with various industry alliances, academia and government bodies.

Ashok is an active mentor to startups. He is actively driving Gujarati Localization Initiatives through Gujaratilexicon - a landmark project.

Ashok holds a PhD in Business Policy & Administration from University of Mumbai and has an MBA from S P Jain.

Traveling, reading, cinema, music and philosophy are his key interests. He grew up in Bombay and currently divides his time between United States and India.
